

Reflexite®
products for
school bus

Reflexite® School Bus Conspicuity Material

- Enhanced visibility during rainy, foggy, and seasonal dark driving conditions
- Withstands high-pressure washing and resists edge lift
- Continues to reflect even after impact
- Thin and flexible for easy application
- Provides the longest sight detection distance
- 100% adhesion; no grid lines to fill with water
- Comprehensive warranty

Specification Compliance:

- ASTM D4956-05 (Type V)
- FMVSS 131 and 217
- CSA D250

Standard Configurations:

- 2" x 150' roll
- 1" x 150' roll
- Sheeting for printed signs
